

SuiteDeal™

Improve document process flow through digital output and document standardization, streamlining business operations while enhancing your patrons' experience and retention!

Suite Deal™ is a flexible and versatile document automation solution designed to address common document printing challenges in the Hospitality industry. Suite Deal™ offers flexibility to address the registration process of patrons as well as enhance back office operations.

Implementation of Suite Deal™ will provide the following benefits:

- Elimination of dot matrix impact printers
- Reduction of pre-printed documents
- Facilitates data capture through the use of bar codes
- Direct printing over your network
- Streamlined registration process
- Enhanced brand loyalty
- Easier to read folio and registration card
- Quicker check-in and check-out

Common Suite Deal™ Applications Include:
